

Lake Effect: Artists From Cleveland Now

Cleveland Museum of Art

July 9, 2026 - December 6, 2026

Clothcraft Clothes, Cleveland, Ohio. Charcoal on paper. 21-1/2" x 38" A. Mitri, 2009-2022.

In his review of the exhibition for *Ideastream* published on August 27, 2026, Steven Litt highlights *Clothcraft Clothes, Cleveland, Ohio* as a “standout” in the show, noting:

"Anthony Mitri's moody, nocturnal charcoal drawing of an abandoned textile factory communicates reverence and mystery through the artist's consistent, highly disciplined sense of touch."
